Originally a fisherman house, Covo dei Saraceni is now a five star hotel with lovely panoramic terraces facing the ocean and the beach. The hotel has a total of 66 rooms from the Suites to the Classic rooms with their traditional Mediterranean taste.

### EVENTS

Imagine a terrace where you can admire the blue sky diving into a crystal sea, on a day when the sun illuminates a bride and her wedding party.

Imagine guests at the pool sipping a cocktail while relaxing before the ceremony, or a couple strolling the streets of Positano toward the reception surrounded by a festive group of friends and relatives.
